Our Value for This Term Is:

At St Barnabas and St Philip's, we celebrate the value of Community – the sense of connection, belonging, and working together to create a safe and supportive environment. Community means each of us playing our part, caring for others, and recognising that together, we can achieve so much more than we could alone.

Why is Community Important?

Just as trees grow stronger when they are part of a forest, people thrive when they are part of a community. Community teaches us to look beyond ourselves and consider the needs of others, fostering compassion and cooperation. Whether it's in our class, our school, or the world around us, community is a powerful value that brings people together to make a positive difference.

Ways to Show Community at Home

Here are a few simple ways children can nurture a sense of community with family and friends at home. We encourage families to take a few moments each day to practice these tasks together and discuss how these actions make a difference:

Community Kindness Jar: Create a "Kindness Jar" where each family member can write down kind actions they've seen or done, placing each note in the jar. At the end of the month, read them together and celebrate your impact!

Bake or Make for Others: If you enjoy cooking or crafting, make something special to share with a neighbour or friend. A batch of cookies or a handmade card can brighten someone's day and remind them they're part of your community.

Celebrate Differences: Take time to talk about how everyone in your family or neighbourhood is unique, and discuss how these differences make your community stronger. By embracing each other's unique qualities, we build a richer, more understanding community.

As we focus on Community this month, let's all think about the ways we can strengthen the bonds with those around us. Together, we can build a happier, kinder world, one small action at a time.

Thank you for supporting and nurturing our value of Community both at school and at home!

Governors Fund 24-25

As you may be aware, we are a voluntary aided Church of England Primary School with approximately 210 pupils. We are devoted to providing our pupils with the best possible learning environment based on decent morals and values, and we are proud to have served our community for over a century.

As a Church of England School, we are required to contribute an annual maintenance fee to the London Diocese Board for School. This fee allows the school to effectively benefit from the LDBS maintenance scheme that provides 90% of the overall cost for approved capital projects including redevelopment of the existing facilities and major refurbishments.

Over the years, our pupils have benefitted from a range of capital projects, including, a new bridge linking two blocks, a fully equipped school kitchen, music room, Computing suite, library, refurbished classrooms, new toilets, a new roof and skylights.

I am sure you will appreciate, it is vital for our pupil's education, that we provide them with the best facilities possible. This can only be achieved through the kind generosity of parents, and though the fee per pupil is voluntary, we ask all parents to contribute £45 per pupil per academic year or such amount, as they are able, in order that our pupils continue to benefit from the LDBS maintenance scheme.

Unfortunately, any shortfall in the overall Governors maintenance fund will have to be taken from the school delegated budget that in turn will mean funds being diverted from other areas of the curriculum.

Contributions can be made via the School Gateway : <https://login.schoolgateway.com/0/auth/login>.

or directly to the Governors fund account:
METRO BANK. Sort code: 23-05-80
Account number: 18996065

We appreciate any contributions to this fund.
