Farewell to Mr. Murphy

It is with mixed emotions that we bid farewell to Mr. Murphy, who has been a dedicated member of the St Barnabas and St Philip's School family for the past four years. His commitment and passion have left a lasting impact on both staff and students, especially the current Year 6 class, with whom he has worked closely since Year 3.

Mr. Murphy's contributions to our school community have been invaluable, and he will be deeply missed by all of us. As he moves back home to Wales, we want to take this opportunity to wish him all the very best in his future endeavours.

Thank you, Mr. Murphy, for your hard work, care, and positive influence. We wish you every happiness as you begin this new chapter of your life. You will always be a part of the St Barnabas and St Philip's family.

Parent Code of Conduct

At St Barnabas and St Philip's, we are a school community built on respect, kindness, and collaboration. It is essential that all members—staff, parents, and pupils—work together to create a positive and supportive environment for our children.

Our Parent Code of Conduct, which outlines the expectations for all parents and carers. While the vast majority of our families uphold these values, we must remind everyone that breaches of this code will not be tolerated. We expect all interactions within our school community—whether in person, via email, or on school grounds—to reflect the same respect and courtesy that we teach our children.

Thank you for your cooperation in ensuring that our school remains a welcoming and respectful place for all.

We are excited to announce our Subject Stars awards for Spring Term 1.

Governors Fund 24-25

As you may be aware, we are a voluntary aided Church of England Primary School with approximately 210 pupils. We are devoted to providing our pupils with the best possible learning environment based on decent morals and values, and we are proud to have served our community for over a century.

As a Church of England School, we are required to contribute an annual maintenance fee to the London Diocese Board for School. This fee allows the school to effectively benefit from the LDBS maintenance scheme that provides 90% of the overall cost for approved capital projects including redevelopment of the existing facilities and major refurbishments.

Over the years, our pupils have benefitted from a range of capital projects, including, a new bridge linking two blocks, a fully equipped school kitchen, music room, Computing suite, library, refurbished classrooms, new toilets, a new roof and skylights.

I am sure you will appreciate, it is vital for our pupil's education, that we provide them with the best facilities possible. This can only be achieved through the kind generosity of parents, and though the fee per pupil is voluntary, we ask all parents to contribute £45 per pupil per academic year or such amount, as they are able, in order that our pupils continue to benefit from the LDBS maintenance scheme.

Unfortunately, any shortfall in the overall Governors maintenance fund will have to be taken from the school delegated budget that in turn will mean funds being diverted from other areas of the curriculum.

Contributions can be made via the School Gateway : <https://login.schoolgateway.com/0/auth/login>.

or directly to the Governors fund account:
METRO BANK. Sort code: 23-05-80
Account number: 18996065

We appreciate any contributions to this fund.
