

St Barnabas and St Philip's CofE Primary School

Year 1 = Autumn Term 2020

It is a pleasure to welcome you all to Year 1. I am looking forward to a great year ahead!

Key dates

- Academic Review Day – 11th September
- Half Term – 26th October – 30th October
- End of Term – 18th December

English:

We have started our Autumn Term with studying stories with familiar settings. This will be followed with writing fact files and finally poetry. Spelling lists will be given out on Mondays to be learnt for a test on Fridays.

In all topics we shall be:

- Developing sentence structure
- Sounding out words we want to spell
- Forming letters correctly

We also have daily phonics sessions to support the children with revising their sounds and using their knowledge to spell words and sound out words when reading.

Maths:

Some of the topics we are approaching in Maths include: place value and revising number bonds to 10. We will be introducing the use of stem sentences to help the children to talk about their learning and to strengthen their mathematical reasoning skills.

Transcription: Our main focus during transcription this half term will be practising writing using the correct pencil grip and letter formation.

Story time and reading activity: We will be reading carefully selected stories together and discussing the themes as a class. Our objective is to encourage the children to discuss stories and form predictions and opinions.

RE: We will be studying stories from The Bible, including the Christmas story. Our spirituality theme for this half term is creation. We will be encouraging children to apply their moral values to everyday relationships.

Art/DT: Year 1 will be looking at self-portraits in Art. We will be exploring a range of famous self-portraits as well as creating our own. In Autumn 2 we will be building model houses using a range of recyclable materials.

PE:

The children will be taking part in a range of PE activities following government guidelines. Please remember to send children into school wearing their PE kits on Mondays.

Music:

Our music tutor, Miss Sato, will be in school every Monday and she will be continuing to foster the children's love of music.

PSHE:

In PSHE, we will be using a new scheme of work called Jigsaw. For the first half term children will be learning about being themselves in their world. They will then move onto celebrating their own differences.
